

seminar program for parents

## Looking out for eye problems in kids...

Presented by staff from the Prince of Wales Hospital and  
Lion's Eye Clinic for Children, Sydney Children's Hospital

- ★ How do I know if my child can see properly?
  - ★ Does my child have a turn in his eye?
- ★ Can using screen devices cause short-sightedness?
  - ★ Will my child have to wear glasses?
- ★ Where can I go if I notice something's wrong?

**Monday 3<sup>rd</sup> April, 2017**  
**6.30 – 8.00 pm**

**Lecture Theatre, Level 1**  
**Sydney Children's Hospital**  
**High St, Randwick**
